Our sporting activities have had a very fast start, with the Swimming Carnival a resounding success at both regional and state levels. Rowing has also enjoyed a similar level of success.

Year 7 students have settled into the school very well and are looking forward to the Handball competition. Parents are encouraged to contact the school to discuss any concerns or issues that may arise.

Maitland Grossmann High is currently trialling a software package developed through Telstra to manage communication within and beyond the school. This tool is designed to manage critical incidents, school management and day to day communication. We will keep you informed of our progress through this trial.

Mr Ron Brown has begun the organisation for the schools' biannual visit to our sister school Sukagawa Toyo High in Japan, during the September/October holidays. Any student who is interested in being involved is welcome to submit an expression of interest to Mr Ron Brown.

The Performing Arts Unit in the school is working toward the presentation of a cabaret style theatre restaurant performance and is encouraging all students and staff to become involved.

School uniform standards remain high, however students and parents are reminded that canvas shoes are totally unacceptable footwear for school. When purchasing student footwear this should be taken into account. Skirts worn by junior and senior girls should be a reasonable length and not any shorter than halfway between the thigh and knee. A reminder, that wearing excessive jewellery contravenes the uniform code. Students should only wear one piece of jewellery which is not going to endanger themselves or others (therefore sharp jewellery or dangling earrings should not be worn). Shorts are only to be worn to school on a Tuesday, and these are the Maitland Grossmann High shorts only. Shorts are not part of the senior uniform. Students are welcome to wear lightweight navy slacks, in preference. It is an expectation that all students meet the uniform standard. If any student experiences financial difficulty in meeting their uniform requirements, the school is very happy to help. Just let us know if we can be of assistance.

DEPUTY PRINCIPAL

Welcome to 2017. I am looking forward to an exciting school year. I would like to offer a particular welcome to all of our Year 7 and new students and their families. I am sure you will enjoy your time at Maitland Grossmann High School and the myriad of experiences and opportunities available.

Maitland Grossmann High has a number of core values:

<i>Care</i>	Always consider the wellbeing of others.
<i>Co-operation</i>	Work together for the good of the school and the community.
<i>Democracy</i>	Give everyone an equal opportunity.
<i>Excellence</i>	Always strive to do your best.
<i>Fairness</i>	Consider other people's thoughts and feelings as you would your own.
<i>Integrity</i>	Be honest and trustworthy.
<i>Participation</i>	Aim to be part of the varied activities offered within the classroom and the school.
<i>Respect</i>	Always consider others, their property and their differing opinions.
<i>Responsibility</i>	Always be accountable for your actions.

Students will be taught what these values mean and how a student behaves when they display these values. Teachers have been sharing with students their expectations of behaviour in their classrooms in terms of these values.

Please do not hesitate to ring me or pop in for a chat if you have any concerns regarding your child and their learning. I am looking forward to working with you and your children in 2017.

FROM THE BUSINESS MANAGER'S DESK

The new year has started at a rapid rate with a number of projects in the pipeline, so watch this space for updates during the year.

Thank you to all the parents who have paid their Subject and General Contributions. The Parent Online Payment (POP) option for payments is proving to be a huge success. If you need any details on this feature which is offered by the Department to make your payments, please contact the Front Office.

Student Assistance is also available if you are finding it difficult to make these payments. Forms are available at the Office and are handled confidentially.

PHOTOS

Occasionally photographs are taken of individual students or classes at school. Please notify the school in writing if you do not want your student photographed.

REMINDER TO PARENTS

When parking/stopping outside the school please be mindful of the residents living in the area. Could you please ensure that there is adequate room for residents to enter and exit their premises at all times during the day.

SPORT

An exciting start to the year in Grossmann sport – with lots happening already in what is shaping to be a huge year. Year 7 are into the swing of things with their integrated sport program, whilst Year 8-10 are out and about participating in a number of sporting and leisure activities within the community.

Swimming Carnival

Term 1, Week 3 saw the annual MGHS swimming carnival held at East Maitland Pool. A relief from the hot weather brought near perfect carnival conditions, welcoming the 420+ students in attendance. Watson was crowned house champion for 2017, defeating its next closest house group by 61 points in a closely fought tussle. Congratulations to all students who arrived early for the competitor's carnival and a special thank you to all staff and senior students in attendance – with the highlights of the day involving bright colours, fun and of course the loud and proud house chants. An awesome day full of school spirit and enthusiastic participation was evident from all.

Congratulations to the following students who were named age champions.

SWIMMING AGE CHAMPION		
FEMALE	AGE	MALE
Arielle Taylor	12	Seven Kostlin
Olivia Hanks	13	Zac Critchley
Teagan Douglas	14	Peter Walsh
Sophie Sorensen	15	Daniel Taylor
N/A	16	Lachlan Sandy
Alyssa Andrews	17 +	Zak Taylor

Grossmann then sent 31 swimmers onto the Coalfields Zone swimming carnival. Some great individual results and outstanding team results ensured MGHS was crowned the champion school on the day.

Congratulations again to the following students, who were named age champions at Coalfields Zone: Arielle Taylor, Sophie Sorensen, Alyssa Andrews, Daniel Taylor, Lachlan Sandy and Zak Taylor.

House Captains

I would also like to congratulate the following students who were voted by their peers to lead their house groups at the 2017 carnivals.

	Brewster	Campbell	Grossmann	Watson
Boy Captain	Kha Dinh	Travis Howard	Andrew Lange	Andrew Warhurst
Girl Captain	Jade Bassett	Emilia Fisher	Kaitlyn Langford	Chloe Rodr
Boy Vice Captain	Ali Al-Mudafer	Isaac Johnson	Jake Millard	Alexander Woods
Girl Vice Captain	Georgia Davies	Manandeep Kaur	Jayme Peterkin	Gemma Yarnold

School Sport Teams

Maitland Grossmann is again proudly entering into 26 NSWCHS Knockout competitions at the Hunter Region Level. With some great successes over recent years, we would like to start the year off by wishing our Open Girls Cricket team all the best in their Hunter Region final this week against Hunter Sports High School.

MATHEMATICS

Welcome back to the 2017 school year. There have been minimal changes to the Maths staff this year. I am back from Maternity leave 3 days a week (Tuesday, Wednesday, Thursday) and Mr Matt Davies is still relieving Head Teacher on the days I am not here. If you ever have a question regarding your child's schooling in Maths, feel free to contact either of us.

We expect class placements to stay generally as they are, however we will look at student's results at the end of term and make any adjustments we see necessary at that time.

There are new Stage 6 (Year 11 & 12) Mathematics Courses scheduled to begin for Year 11 next year. We will be taking time this year to ensure that we have everything ready to go for those courses, and that our junior courses continue to provide a strong foundation for senior school and employment.

Please make sure you contact us if you have any questions during the year.

Head Teacher Mathematics

2017 ASSESSMENT SCHEDULES

Assessment schedules for 2017 have now been added to the MGHS webpage and emailed to students in all years. In these Assessment Booklets, details of the relevant MGHS Assessment Policy, when assessments will occur, course outcomes and ways of planning and staying organised are provided.

For Years 11 & 12, the BOSTES (now known as National Educational Standards Authority or NES) requirements are outlined and copies of illness/misadventure forms are included in the document. It is important students are aware of the correct processes so that Preliminary and HSC assessment requirements are met.

Year 11 are reminded to return their signed slip to Mrs Williams which acknowledges that the booklet has been read and understood.

Students are encouraged to use the Term Planners which will help them to map out their assessments and stay on top of their work commitments.

Please do not hesitate to contact the school if there are any further enquires.

CAREERS

It's been a busy start of the year for Careers with the organisation of a number of support programs for students. MGHS was notified by Bunnings that they are recruiting and to support this Bunnings came to MGHS on the 23/2/2107 to discuss with students their expectations and give guidance on the employer's expectations, the application process and how to present at interview. The information session was attended by over 70 students who benefited from this opportunity. It is not often multinational employers give this sort of support to young jobseekers and MGHS is very grateful to Bunnings for this opportunity.

Money Talks is again on the Careers Calendar for Year 11 and selected Year 12 students on 1/3/17. This is a valued workshop where students are grouped and via rotation gain financial information that will support them into their future. This is a valued program that is hoped to make students money wise.

WHS Course for Building and Construction (Whitecard) will be held at 3 different times during Term 1. These courses are for students in Years 10, 11 and 12 only. Students will be given notes and prompt return is essential for placement in this high demand course. Cost of the course is \$80, payable at the front office and the dates are as follows:

WH&S Whitecard Course

6/3/17 (Week 7)

8/3/17 (Week 7)

20/3/17 (Week 9)

Students interested in a career in the Defence Force may attend a presentation on the 8/3/17 at lunchtime in the library. This is a great opportunity for students to ask questions about any specific areas they may have an interest in. Futures are well supported in the Defence Force with fee free degree courses and trades available as well.

Work Experience weeks are on the calendar and will be as follows:

Term 2 Week 7- 5/6/17 till 9/6/17

Term 3 Week 5- 14/8/17 till 18/8/17

Term 4 Week 4 -30/10/17 till 3/11/17

Students wanting to do Work Experience need to firstly find a willing employer in a career pathway of their interest, then get the paperwork from **Mr Harris in the TAS faculty staffroom in D block**. This paperwork needs to be taken to the employer to complete their section and collected by the student, then the parent/caregiver section needs to be completed and the paperwork brought back to school in a timely manner. Numerous students miss out on opportunities due to lateness, which of course leads to disappointments that can be avoided.

The Year 10 Newcastle University visit is booked for the 3/4/17. This visit gives prospective ATAR students the opportunity to see what happens at university. They can see the environment and visit different areas on campus. There will be an information session on what Newcastle University has to offer, which will prove invaluable to students. Students need to listen vigilantly on assemblies for details about this opportunity.

CREATING AND PERFORMING ARTS

Staff

The following is a list of our present staff

Richard Fletcher-	Head Teacher CAPA -Visual Arts
Sofia Orkopoulos-	Visual Arts & Photographic and Digital Media - PDM
Richard Focic-	Visual Arts & Photographic and Digital Media - PDM
Stephen Forbes-	Music
Linda Alford-	Music 3 days a week (MTW)
Joe Quiring-	Music 2 days a week (TF)
Heather Williams-	Drama & Entertainment Industries (Vocational Education & Training)
Abby Holz-	Drama & English

Outstanding HSC Results

Each year we are pleased with our HSC outcomes. Last year's HSC results included a very significant number of outstanding academic results. Some noteworthy achievements were:

EQ First in State Band 6 Olivia Cowie VET – Entertainment Industries

Band 6 Visual Arts Beatrice King- Included in First Class Exhibition

Band 5 Visual Arts-	1 student
Band 5 Music-	5 students
Band 5 Drama-	3 students
Band 5 VET Entertainment Industries-	8 students

Below are some of our HSC 2016 Art submissions including Bea King's Manga styled illustrations that will be on display at the Regional Exhibition "First Class" at Lake Macquarie Galley in March/April.

CAPA has had a very busy start to this year and we would like to thank everyone who has supported our extracurricular activities.

Some of our ensembles have already started for this year, but it is not too late to join.

The big news for Term Two is that we will be doing a Broadway style musical showcase as a theatre restaurant on Wednesday 28th June. Students have just attended a meeting with Mrs Williams and Mrs Holz who along with the Music staff are coordinating the event, which is set for Term 2. Ticketing information will be available soon.

Year 7 Aboriginal Cultural Day

Each year the CAPA faculty coordinates an Arts day for Year 7 at the Maitland Regional Gallery which focuses on all aspects of the Arts, with practical workshops and activities. This year the excursion will be held on Monday 5th June and while that is more than a term away, we extend an invitation to parents of Year 7 students to join us at the Maitland Gallery for the event. The day will involve students moving through a range of gallery based activities with Arts, Sports, Food and other elements of Aboriginal Culture covered throughout the day.

Drama

Senior Drama students will be working with Mrs Williams developing their individual projects and group pieces, due for completion early in Term 3. They have already been to Sydney to see onstage performances from the 2016 HSC, which was a great opportunity, enjoyed by all.

Music

Mr Forbes and Mr Quiring will be coordinating vocal ensembles while MGHS Concert Band will work with Mrs Alford, as conductor. There are still positions available in the school band for any interested students. They will be rehearsing Monday lunchtime. Junior students or students who have recently enrolled and are interested in trying out for positions, should speak to their music teacher about auditioning.

Students are able to arrange the hire of instruments through the music department. Hire fees are \$30 per year.

In 2017 with the change of staff there will be a shift in Choir to a repertoire that is more contemporary, so if you enjoy singing and have not been part of a choir, this could be the year to give it go. Mr Forbes will be conducting on Tuesday and Thursday lunchtimes in A118 while Mr Quiring is introducing "Singing for Fun".

VET Entertainment Industries

As a senior course with workplace skills, Entertainment Industries is again a highly popular course and Mrs Williams will be busy organising work placements for students at Star Struck, Dance Festival and the school Musical Events. It is important for students to pay their subject contribution.

Visual Arts

Students within the Visual Arts department are focusing on developing their skills in a variety of artmaking activities, as well as the study of art, including a broad range of contemporary and traditional artists.

Parents and students are reminded of the need to have appropriate sketchbooks as a requirement of the course.

HSC students now underway with their practical components are welcome to utilize the classrooms in lunchtimes and any study periods, if the spaces are available. Time spent on tasks now will ease the burden closer to the submission dates early in Term 3.

Safety

Students and parents are reminded that it is a requirement of students in practical subjects to wear closed in leather shoes for protection.

Digital Devices

Year 9 students will be aware of the Bring Your Own device (BYOD) arrangements and while it is not urgent, students will soon need access to digital media in their classrooms. Currently there are computers and PC computers in most areas of the Arts but of course students will benefit from having their own device.

Students need to be aware there are rules for use and storage of these learning tools, particularly when they are not required in practical lessons. Students are expected to treat all equipment with respect and this applies not only to their laptops but also to materials within the classrooms. For further information, visit our school's website.

Subject Contributions

In all subjects within the CAPA faculty there are material costs that have to be covered by a subject contribution.

It is essential these fees are paid to allow for the purchase of quality material and equipment. We appreciate early payment of subject contributions.

Old Black and White Cameras

Do you have any old film cameras you would like to donate to the School? This year interest has sparked and we have two Year 9 Photography classes running in 2017. We have been fortunate in the past to have parents donate unwanted manual film cameras. If you can help it would be greatly appreciated, as tracking down the old manual cameras is getting increasingly difficult.

If parents have any concerns or would like to discuss their child's progress in any CAPA subject, please contact the school.

We look forward to a creative and productive 2017

FROM THE JOURNALISM CLASS

HISTORY AND LANGUAGES

Ms Hollier and Ms Bower have been looking into organising an excursion for the two Year 9 Elective History classes to see the film *The Great Wall*. We extend our congratulations and welcome to Mr Hundy who has joined the History and Languages faculty.

TAS

The staff and teachers of the TAS faculty are happy to be back for another year of teaching. This year, STEM classes have started for Years 7 and 8. Year 11 Textiles have an upcoming excursion to see previous HSC major works. This term, Year 10 Child Studies are studying nutrition and Year 10 Design are working diligently on some art projects. Miss Wardle has returned from maternity leave and will be working on Mondays. Welcome back!

MATHS

This term in the Maths faculty, at MGHS we are excited to tell you that Ms Cox is back from leave. The head teachers are Ms Cox and Mr Davies. This year the Maths faculty will be focusing on the NAPLAN exams for Years 7 & 9. They will have one period a week in which the students are taught numeracy skills, that will appear in the exams. Teaching these classes are Mr Davies, and Mr Holt. We wish the students sitting their NAPLAN exams the best of luck.

ENGLISH

The English faculty has some exciting things happening this term. Ms Bissett is the new Head Teacher of English and Mrs Guider has moved into Head Teacher of Teaching and Learning. We are excited to announce that Mr Shumack has returned to the English faculty! Welcome back!

NAPLAN is coming up on the 9th, 10th and 11th of May for Years 7 & 9. NAPLAN provides the teachers with information, which allows them to teach effectively, based on the needs of their individual students. Ms Wakeman is heading up the Literacy Team again this year and looks forward to implementing some new strategies to help students with their literacy, based on the findings of NAPLAN.

Excursion for Years 10 & 11: *Gatsby Unleashed* - 15th March. Money and permission slips need to be handed in to the front office by 27th February.

CANTEEN

The canteen has been very busy lately due to the hot weather, snappies are going like hotcakes and Zac's Special are still the all-time favourite for most students. As most of you know one of our canteen ladies, Lisa, has left Maitland Grossmann after 6 years and we are all devastated to see her leave. She will be missed dearly. Good luck and farewell Lisa!

LIBRARY

Ms Jones and Ms Malineak are our librarians this year.

We have some exciting changes happening with an Aboriginal Learning Centre being developed to support Aboriginal student learning.

Towards the end of the year, Senior students can look forward to a new Senior study area in the Library. We are getting some new technological resources, including a new 3D printer.

The Golden Ticket Promotion will be running again this year. If you find a Golden Ticket you can trade it in for a Freddo Frog, so keep your eyes open!

The Valentine's Day Blind Date with a Book will continue to run for a few more weeks. The Library is also getting some new Manga books very soon!

SCIENCE

There are some exciting excursions coming up in Science this year. Years 7 & 12 students are going to Taronga Zoo for a Biology excursion, Seniors have a Chemistry excursion, and Year 9 have an excursion to Luna Park!

The school has purchased new equipment to allow the students to have access to new learning experiences through practical work. The new equipment includes air cannons, a computer simulation and a data logger. We are looking forward to the experiments which will be taking place this term. Year 7 are earning their Bunsen Burner licenses, Year 8 have some experiments planned for their topic on Energy, Year 9 will be studying Motion, and Year 10 will be studying Chemical Reactions.

Written by Josie Ridley, Mia Saxby, Danica Barribal

SOCIAL SCIENCE

The Social Science faculty has grown this year with Miss Dixon joining us! We know she will be made to feel welcome and enjoy teaching at our school. We have some new Smartboards in the Social Science classrooms which are used to effectively engage students.

Excursions: Year 10 are looking forward to their geographical field activities run by the Awabakal Environmental Educational Office. Year 7 have a dolphin cruise excursion coming up. We hope they see plenty of dolphins and enjoy their day!
